

An Osborn Education™

Meet Ms. Wilhelmy 3rd Grade Teacher

Message from Ms. Wilhelmy

Hello! This is my first year of teaching, as a 3rd grade teacher at Encanto School, and I am loving every second of it. The Osborn School District has been an extremely welcoming and a great school district to work in so far.

One of the biggest reasons I decided to go into education was to help children gain a determination to learn. I believe, even as adults, everyone should be open and willing to learn something new every day. This knowledge can help us to achieve whatever we set our minds to do. In third grade I had a very inspirational teacher. She instilled in me a sense of ambition and accomplishment, which is what I plan on instilling in each and every child throughout my teaching career.

Year Joined Osborn: 2011

Education

- **B.S.** University of Phoenix, Phoenix, AZ, Business Administration/Marketing
- **M.Ed.** Arizona State University, Phoenix, AZ, Elementary Education

Years in Education: 1st year
