Meet Mrs. Holschbach 3rd Grade Teacher

Message from the Teacher

I am very excited to start another school year here at Encanto! I have made my way around the campus, starting in first grade, moving through second and now back in third!

Third grade is an important time in a child's life to truly encourage and foster a love for reading. This year, we will be experiencing some of the world's greatest juvenile literature books ever written, The Newbery Winners. I strongly encourage you to engage with your child in daily reading. Quality reading enhances motivation and leads to imagination in a student's daily writing. We already have some works published by the students that are fabulous. Perhaps we have some future best selling authors among us!
