# Meet Mrs. Waldorf 3rd Grade Reading Interventionist

## Message from Your Teacher

I am so pleased to be teaching your child this year. We have so many exciting things that we will be learning in reading, writing, math, science and social studies that I am eager to share with every student! I look forward to us working together this year to help your child succeed in 3rd grade. My classroom is always open, so please stop by to say hello.
