# Meet Mr. Robert Principal

## Message from the Principal

Hello! It is such a pleasure to be the principal of as wonderful a school as Encanto. I have spent nearly my whole time in education working with grades kinder- garten through 3rd grade, so Encanto is a perfect fit for me.

I have always been amazed at how much young children can accomplish if you expect them to achieve and are willing to help guide them in reaching those goals. I have the same high expectations for your children as I do for my 3 young boys. I look forward to our work together this year to help all the children in our community be the leaders we all know they can be.
