Meet Mrs. Doherty 1st Grade Teacher

Message from Mrs. Doherty

Welcome to room 9 at Encanto School! At an early age it was my dream to be a teacher. I couldn't picture myself doing anything else. I am living out my dream! My love for teaching and learning is contagious—so WATCH OUT! In room 9 expect to be challenged, respected and appreciated for your talents! So....CAUTION....lots of learning will be taking place in room 9. It is my pleasure and honor to be your first grade teacher. I look forward to working and learning with you and your family!
