Mrs. Artea

2nd Grade Dual Language/Spanish

Message from Mrs. Artea

It has been a great joy and blessing to be teaching at this school. The school environment is very family oriented and friendly to all who work, participate, and visit our school.

As part of the dual language program, I am privileged to have parents willing and open-minded to have their child learn two languages. I am a firm believer of multiculturalism and multilingualism and the many doors of opportunity for the children of today that learn two or more languages. Together we can create a better and safe world for all humanity.

Thank you parents for participated in your child's invaluable education!

Ha sido una gran alegría y una bendición participar en la enseñanza de está escuela. El ambiente en está escuela es muy familiar y amigable para todos los que trabajan, participar y visitar nuestra escuela.

Como parte del programa de dos idiomas, tengo el privilegio de tener unos padres dispuestos y abiertos a que su hijo/a a aprender dos idiomas. Soy un firme creyente de la multicultural y las muchas puertas de oportunidades para los niños de hoy que aprenden dos o más idiomas. Juntos podemos crear un mundo mejor y más seguro para toda la humanidad.

¡Gracias a los padres por participar en la educación de su hijo!
