Meet Mrs. Price

Hello! It is such a great pleasure to be a teacher here at Encanto School for another year! I have worked at Encanto School for many years. Most of my teaching experience involves kindergarten through third graders.

We have such a great staff at Encanto, and I am so excited to be a part of this wonderful learning community. We set high expectations for learning at Encanto School and believe that together as a team of teachers, students and parents we can ensure the learning success of all our students.
