If due to a lack of housing, you must live in a shelter, motel, vehicle, or campground, on the street, in abandoned buildings or trailers, or doubled-up with relatives or friends, then according to the McKinney-Vento Act, you are considered homeless.

Your children have the right to:

- Go to school, no matter where you live or how long you have lived there.
- Continue in the school they last attended before you became homeless or the school they last attended, if that is your choice and is feasible.
- Receive transportation to the school they last attended before your family became homeless or the school they last attended, if you or a guardian requests such transportation.
- Attend a school and participate in school programs with children who are not homeless.
- Enroll in school without giving a permanent address.
- Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
- Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrolling your child.
- Receive the same special programs and services, if needed, as provided to all other children served in these programs.
- Receive transportation to school and to school programs.

When you move, you should do the following:

- Contact the school district's local liaison for homeless education (see phone number below) for help in enrolling your child in a new school or arranging for your child to continue in his or her former school. (Or, someone at a shelter, social services office, or the school can direct you to the person you need to contact.)
- Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.
- Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.

If you need further assistance, call the National Center for Homeless Education at the toll-free Help Line number: **1-800-308-2145** or go online at www.serve.org/nche.

OSBORN SCHOOL DISTRICT NO. 8

Office of the Superintendent

TO: All District Parents
FROM: Wilma Basnett, Superintendent
DATE: February, 2010
RE: SERIOUS ACTS OF MISCONDUCT

Our goal is to provide an atmosphere in every district classroom where teachers can teach and students can learn. While there is no way to assure that each child comes to school ready and willing to learn, we will not tolerate a child's misbehavior which interferes with another child's desire to learn. For this reason we want to share information about our Serious Acts of Misconduct with you.

1. Please review the attached copy of SERIOUS ACTS OF MISCONDUCT with your child. Keep the copy in a safe place and periodically review it with your son or daughter. **Please sign the statement at the bottom of this form and return it to your child's teacher by the end of the first week of school.**
2. Consequences for the various acts vary in severity. If your child commits any one of the serious acts, he may be recommended for long-term suspension or expulsion.
3. Three serious acts of misconduct will be grounds for long-term suspension (a period of more than ten (10) days) or expulsion. Principals will consider the type of serious act the student committed, the length of each previous suspension, the closeness of suspensions to one another and the total amount of time the child has already been suspended from school when making a determination as to whether to recommend a long-term suspension or expulsion.
4. For out-of-district students, violation of any three of the serious acts of misconduct will mean revocation of the privilege of attending school in the Osborn School District.

We have read the rules and the consequences of breaking the rules in the Parent Information Packet. We understand that in some instances the first offense may be grounds for long-term suspension or expulsion. We also understand that violation of any three serious acts of misconduct in one school year on any Osborn campus or combination of schools or in the immediate area surrounding the schools is grounds for immediate long-term suspension or expulsion. For out-of-district students, we also understand that violation of any three serious acts of misconduct in one school year will mean revocation of the privilege of attending school in the Osborn School District.
