Car pick-up and drop-off

Kindergarten students will be dropped off and picked up in the back of the school. First grade through third grade students will be dropped off and picked up in the front of the school. Families who have a kindergarten student and an older sibling will be dropped off and picked up in the back of the school. When picking up and dropping off, pull all the way forward and stay in your car.

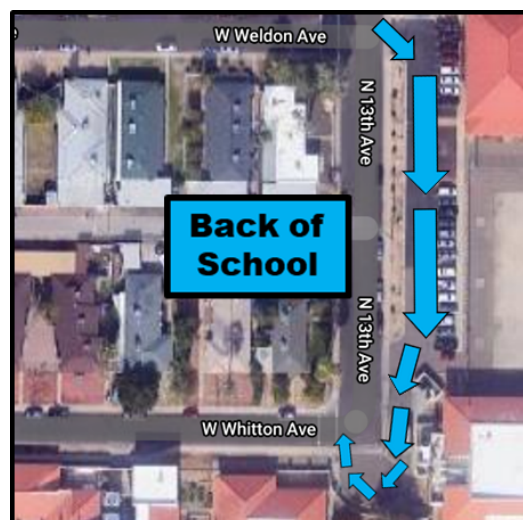

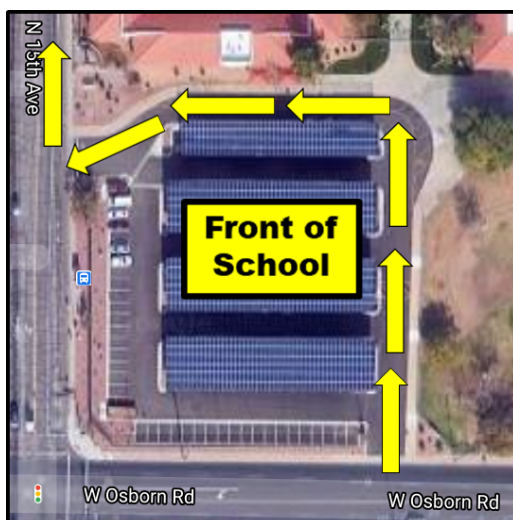

The drop off window is 7:25-7:45. The gates will be locked at 7:45 A.M. Students who arrive tardy must be signed in by an adult at the front office. Families who drop off children in the back of the school and arrive after 7:45, must drive around to the front of the school to drop off and sign their children in.

The pick up window is 2:45-3:00, Wednesdays 12:45 -1:00. Families who arrive after the pickup window time will need to park and enter the front office to pick up their children.

If you are picking up your child early ensure it is anytime before 2:15, Wednesdays 12:15. Otherwise we can not call into classrooms as it disrupts the end of the day for the entire classroom.

Walking pick-up and drop-off

Parents may also walk up to the school to drop off and pick up at designated stations. Notify your child's teacher if you would like your child to be sent to the walking pick-up station for this school year so it can be noted on their transportation information. Kindergarten walking pick-up is at the back of the school. 1st-3rd walking pick-up is at the front of the school. If you are driving and then walking up please park in a parking space, use the crosswalk and bring your placard.
