- Community Partnership
- Operations
- Leadership

Governing Board members commented and provided feedback/suggestions. Members are seeking measurements of these goals for being able to provide additional feedback and ultimately evaluation of the superintendent at the conclusion of the year. Dr. Robert was able to complete 3 of the 4 sections. He will follow up with the conclusion of his presentation of goals at the October Work Study session.

Digging into the Data

Mrs. Potter Davis joined the meeting to provide an overview of the assessment measures from spring 2021 administration of AzM2 and fall 2021 FastBridge. With only approximately 60% of students returning to take spring assessments in the middle of a global pandemic, the results

are not typical of the levels of success we are used to seeing, nor of the percentage of students tested. Mrs. Potter-Davis was able to provide greater information being gathered this fall through the new FastBridge assessment. She was able to provide district, school, grade level, classroom, and individual student views of the assessment measures. Future updates and school visitations will include schools' response to data collected and their strategic plans for this school year to accelerate learning.

School Finances Overview

Mrs. Toscano began a robust presentation on business services as an orientation for Board members on the functioning of the department. She began with an overview of who is in the department, beginning with a breakdown of the difference between finance and business services responsibilities, and what she as Chief Operations Officer does as opposed to Diana Vargas in her new role as Business Services Administrator. Next Mrs. Toscano provided a vision for staffing in the department, including who is currently serving in roles and why the separation of duties is critical to the functioning of the department. In this discussion, she was able to provide a summary of the challenges and solutions faced during COVID. Due to time constraints, Mrs. Toscano will return to the October Work Study session to complete here reporting of compliance items, procurement items and procedures, and regular governing board actions related to business services.

Lunch

All members of the Administrative Team joined the Governing Board for lunch in the board room.

Expressing his views on a COVID related Court ruling and vaccination mandate he questioned whether these were examples members wanted to model. Sharing personal experiences with COVID and information obtained from the state health services website he stated his belief that the Board would no longer have a mandate when the law goes into effect September 29th.

Board Presentation

COVID-19 Mitigation Strategies School Re-Opening Update

Dr. Robert shared that staff has gotten very good at contact tracing. He said that many of the calls received from parents are a result of the pooled testing noting there are a number of students that have been asymptomatic who have been discovered because of the pooled testing.

He said a final decision is expected on the mask mandate by September 29 noting that the CDC continues to encourage wearing masks.

The vaccination rate of staff is above 90 percent and with Pfizer seeking emergency approval of their vaccine for children aged 5-11. He anticipates more activity in terms of launching those campaigns in the near future.

Members stated their support of the pooled testing and work around keeping students safe.

Mr. Flamand received confirmation from Dr. Robert that students may take mask breaks and that only those with a note from a physician stating a medical exemption are excepted from the mask mandate.

Administrative Reports

Mr. Flamand said he is looking forward to hearing from OEA and focusing on what the district can do rather than operating in crisis. In response to Mr. Flamand's interest in seeing trends related to discipline, Dr. Robert offered to share data that shows trends before and after the work with conscious discipline so members can see the effect of the work. Referring to the data on the discipline report Dr. Robert noted they will be looking at the Serious Acts of Misconduct Policy during their upcoming workshop.

Reflection on ASBA Law Conference

Mr. Peralta attended as delegate and noted that there was very interesting conversation. He said he felt that most of the attendees had not taught in a classroom and was glad for the opportunity to take a stance for public education particularly when conversation turned to arts in education. He also appreciated hearing more about changes in the disciplinary process and the school to prison pipeline.

Mr. Hermes felt it was overall a nice conference. He was glad to hear about how other districts are looking at affordable housing for teachers noting that housing in this district is normally not affordable on a teacher's wages. He would also like to see more diversity at ASBA.

Mr. Flamand was disappointed in the presentation by John Ratzenberger and did not feel his values are in line with ASBA, otherwise he felt it was a good conference. He enjoyed being with and hearing perspectives of Board members serving in other districts.

President Aguilar shared that her son had a presentation at the NSBA conference at the time of the Law Conference and was happy to see to see him flourish and talk about his academic experiences.

Dr. Robert said the sessions he attended were aligned with the administrative side and was particularly interested in the public communications piece. He also attended sessions on service animals in schools and policies on due process in HR situations. He said he felt it was good to look at administratively how the district is doing and expressed his pride in the team he works with.

Reflections

Mr. Peralta felt members worked strong as a board.

Mr. Hermes agreed expressing appreciation for the staff who are keeping kids safe and to be a part of Osborn. He then offered a reminder to remember those the district has lost to COVID.

Mr. Flamand said he felt it was a good meeting, solid, and looks forward to having students and others in attendance again.

President Aguilar thanked administration for all their work adding that in addition to children and families everyone in the district is suffering. She reminded of the fears and anxiety of teachers as well as students in handling this situation and said she is grateful to serve on this board and working with and having the support of the superintendent and members of the Board.

Dr. Robert said he is glad to bring a new partner to the district to assist students and families in need. Sharing that the meetings will soon be available on YouTube, he hopes to have everything in place by the next meeting.

This agreement is entered into between the following school districts as a joint exercise of their powers pursuant to A.R.S. 11-951 et seq.:

The school districts listed in "Exhibit A" are authorized to carry on all activities included in this agreement pursuant to A.R.S. ß15-341 and A.R.S. ß15-342.

This agreement shall remain in effect from December 1, 2020, through June 30, 2023. A school district may be added at any time with approval of the Council or its Executive Director.

Each participating district shall be entitled to one vote, which vote may be cast by the Superintendent or designee. Other educational and government agencies may be represented at the meetings, but will not have voting rights.

The parties hereby agree to the following:

- 1. The Organization created by this agreement shall be known as the Greater Phoenix Educational Management Council/AZ Educational Management Council (hereinafter referred to as the Council), and will be composed of the parties to this agreement as well as other school districts who may be added to this agreement with approval of the Council or its Executive Director.

- 3. The Council will plan and carry out the following kinds of activities in furtherance of its goal of improving educational programs offered by the participating school districts:
 - a. Articulating and improving those educational programs that have continuity from elementary through high school.
 - b. Working cooperatively with other educational and governmental organizations, associations and agencies on plans and developments that require participation of schools.

- c. Undertaking cooperative programs in the area of local and non-local funded programs (federal, state, private) that can benefit the member districts.
- d. Combining the expertise and efforts in all the districts to consider state and federal legislation of interest and concern to the school systems and plan cooperatively to meet the laws, rules and mandates resulting from this legislation.
- e. Upgrading the level of attainment of all students in all educational areas where commonality exists.
- f. Undertaking cooperative programs for the purpose of providing cost- effectiveness in joint programs for the member districts, in such areas as staff development, computer services, etc.
- 4. The Council will meet on a regular basis in accordance with a schedule to be determined by the Executive Director in coordination with the Chair of each Division. Written notice of all meetings will be sent to each district's representative at least one day in advance of the meeting. - 5. The Council will elect a Chair and Vice-Chair at its May meeting to assume their duties on July 1. The Chair will be responsible for coordinating with the Executive Director meeting agendas, presiding at the council meetings, and establishing those committees that are needed to carry out the activities of the Council. The Vice-Chair will assume said duties in the absence of the Chair.
- 6. The Chair will be the presiding officer of the Council's Executive Committee whose membership will be elected by the Council when necessary.
- 7. A participating district may terminate membership in the Council by submitting a written notice to the Council <u>at least ninety (90) days prior to the end of each Fiscal Year.</u>
- 8. Property acquired solely for the purposes of this agreement shall be disposed of upon termination of the agreement as follows: any usable property remaining at the termination of this agreement that was acquired by the use of funds derived through this agreement and which was not otherwise assigned at the time of purchase by the Council will become the property of the participating districts and will be divided equitably by these districts at the direction of the Council, in accordance with any applicable federal or state laws or regulations. Any cash balances will be proportionately distributed among the current membership.
- 9. The Agua Fria Union High School District #216 (hereinafter called Fiscal Agent) agrees to be responsible for all accounting and audit functions required by this agreement, including the following duties and responsibilities:
 - a. Establishing the appropriate fund (IGA) with the county treasurer;
 - b. Preparation and distribution of normal customary monthly financial reports to the Executive Director of the Council;

 - d. The Fiscal Agent shall administer all bidding and purchasing of supplies and equipment for the Council in conformity with all applicable statutes and regulations governing such activities;

- e. The Fiscal Agent's Governing Board shall approve the employment of all personnel needed to provide the services and activities of the Council. A negotiated salary and benefits package will be approved by the Superintendents and submitted to the Fiscal Agent for convenience only. Council personnel shall be considered employees of the Fiscal Agent for purposes of Reduction in Force or mandatory employment of the Fiscal Agent.
- f. The Fiscal Agent will make all of its normal and customary services available to the Council, including but not limited to: printing, duplicating, technology services and warehouse purchasing;
- g. The Fiscal Agent will make available office space for the Executive Director and support help as approved by the Council. The Fiscal Agent will provide postage and receive reimbursement from the Council for the costs of such usage.
- 10. The Fiscal Agent continues for the duration of the Agreement unless a change is made by the Council or Fiscal Agent by giving written notice.
- 11. In exchange for the provision of services described in paragraph 9.a through 9.g, the Council will pay the Fiscal Agent an annual percentage of 4% of the total expenditures of the budget, for each Fiscal Year less capital outlay as agreed to by the Council and Fiscal Agent.
- 12. The Council or its Executive Director will notify the Fiscal Agent of matters relating to budget and personnel approved by the Council.

Background — Osborn School District has a focus on Social Emotional Learning. At Encanto we are supporting this initiative by continuing our learning and utilizing the Conscious Discipline Curriculum. In July of 2021 Encanto school sent 12 teachers to the summer institute where we were introduced to Conscious Discipline a comprehensive emotional intelligence and classroom management system that integrates all domains of learning (social, emotional, physical, cultural and cognitive into one seamless curriculum. Our leadership team has selected four members of the team to attend the Advanced Institute in Navasota Texas, where practitioners gather to dig deeper into the structures, skills and powers of Conscious Discipline with Dr. Becky Bailey. This immersive, high-engagement experience will benefit our school as we move forward with providing SEL structures and support for our school community. We are seeing COVID-19 cases rise on campus help us keep our classrooms and school open by participating in pooled testing if you have not done so already. You will receive a form with more information the week of October 18 if you have not signed up

Here is how it works

STEP 1 Self Swab

25 students (and teachers!) in a class self-swab and drop their swabs into a single tube.

STEP 2

Test the Pool

That tube is then run using one test, and the classroom is provided with one result.

STEP 3

Get Results

Only positive pools result in next steps, which vary by school.

Test Result:
Negative

WHAT'S THE **Test Day Process**

The whole process takes

10 - 15 minutes to complete per classroom.

The tube is placed open on a desk or table, in a coffee cup or other stand that keeps it

upright.

Everyone receives a sealed nasal swab

A small group (about 3-5) is asked to swab themselves while a teacher or other adult observes.

After they place their swabs in the open tube, the next group is called.

3

The tube is capped, sterilized with an alcohol wipe, sealed in a biohazard bag and placed in the shipping box.

Message from Mr. Martin

Hello Cougar Families,

I can't believe it is already October! This year has already been jam-packed with lots of learning and fun! Our students have been hard at work citing evidence in ELA, problem-solving in Math, and using their critical thinking skills in Science. Can't wait to see all that our students accomplish this year!

In Partnership,

Jeff Martin

Planting Day

We recently celebrated Planting Day, where each class plants seeds during the planting season. Students planted yummy vegetables such as carrots, cucumbers, and leafy greens, among others.

The goal of Planting Day is to expose our students to gardening, as well as contribute positively to our school community.

Check out the cool pictures below to see what Planting Day is all about!

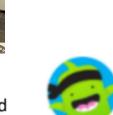

Check out the Cougar Spirit Video teachers created earlier this year!

Clarendon was awarded the Osborn School District Spirit Award! Yay!

Professional Development

- Weekly professional development in cluster continues to focus on using Thinking Maps and the incorporation of distance learning best practices.
- Upcoming differentiated sessions are scheduled with Lexia for Core 5 and Power
 Up as well as Nearpod. iSchool has some of the highest usage in the district for
 our educational programs. We firmly believe that fidelity to programs and
 increased usage grows student confidence and success.

Transition to In-Person Learning/Remaining in iSchool

- OCiS parents had the opportunity to transition to in person learning after Fall Break. Six students moved from iSchool to in person schooling and four students moved from in person to iSchool. The next opportunity to transfer between learning environments will be at Winter Break.
- On October 1st our second materials distribution for the year took place in the Montecito gymnasium. Seventy-five percent of our families picked up materials and free books for their iSchool students and many chose to have school pictures taken as well.

Staffina

- OCiS was able to acquire an Educational Assistant for our cross-categorical self contained classroom. His name is Michael Romo and he comes to us with years of experience in Phoenix Elementary School District. He is tech savvy and has been able to jump right in in assisting teacher Deann Jensen and working with the students.
- We now have a long term substitute in our resource classroom who will graduate
 in December and gain full general and special education certification so we can
 hire her full time. Her name is Maya Orozco and she has completed student
 teaching rounds under two of our iSchool teachers Samantha Wright and
 Dayyana Barrera.

- We were also able to hire an Educational Assistant for our Resource classroom.
 Her name is Amanda Provax and she comes to us with years of experience with child and adults with special needs.
- OCiS also acquired an upper grade interventionist, Anna Feria, who came to us from a Montecito Community School program called Change Makers. Anna has been in the Osborn district for years, mainly serving as the Art teacher for both Clarendon and Osborn Middle School.

Parent Communication

- iSchool completed Parent Teacher conferences the week of September 27 October 1, 2021. The majority of conferences were held over Zoom or Meet with a
 few happening over the phone. Teachers shared information from the new
 FastBridge assessments as well as progress toward goals plus celebration and
 any concerns.
- All iSchool Class Dojos have between 90% 100% connectivity. This platform is our go to in terms of parent communication. Our goal is to have 100% of students with at least one parent or guardian connected to ClassDojo.

Digital Citizenship

 Twice weekly iSchool teachers lead students through lessons on Digital Citizenship. Our goals this first quarter were to promote online safety and courtesy, media use balance, and understanding of one's digital footprint. Students completed fifteen lessons this quarter and have culminating activities in Flipgrid, Jamboard, and Nearpod.

IMPORTANT DATES/INFO

Fall Break October 4-8
Governing Board Meeting Oct 19th

October is Bullying Prevention Month!

Here are ways that YOU can help combat bullying:

Make friends with someone you don't know

Challenge others to be kind
Don't ignore bullying.
Stand up
for people who are being bullied
Don't judge others

Use kind words

Notes from Dr. G

As we head into Fall Break I have been very impressed by how smooth arrival has been this year and that you are all getting here on time ready to learn in the morning. If you are dropping off your Lancer out front in AM please pull all the way up. This prevents street traffic from backing up and keeps things moving smoothly.

Enjoy Fall Break!

MINDFULNESS MINUTE

Choose a comfortable sitting position. As you take a slow deep breath in through your nose raise your shoulders up towards your ears. Breathe slowly out through your mouth, lowering your shoulders as you exhale. Repeat slowly, rolling your shoulders up and down in time with your breath.

Social Emotional Learning Tip of the Month

5-Sense Memory

This is a good technique for grounding yourself during moments of anxiety.

Keep your eyes open and go through this process whenever needed, in whatever space you're in.

Sit comfortably with your feet on the floor, your hands on your legs, your spine comfortably straight. Close your eyes if you can. Otherwise, focus on a spot in front of you.

Take a deep breath and let it out slowly. Repeat.
Imagine one of your favorite places from any part of your life. As you remember it, start to walk toward it in your mind.

As you walk into it, find...

5 things that you can see

4 things you can touch

3 things you can hear

2 things you can smell

1 thing you can taste

Try this the next time you need to calm down and relax.

Bullying Prevention Month

October is National Bullying Prevention Month. Bullying is unwanted, aggressive behavior that involves a real or perceived power imbalance. It is a behavior that is repeated over time. There are three types of bullying:

- 1. **Verbal** teasing, name calling, taunting, etc.
- 2. **Social** hurting someone's reputation by spreading rumors, leaving them out on purpose, telling others not to be friends with them, etc.
- 3. **Physical**-hurting a person or their possessions. Ex. kicking, hitting, breaking things.

It is never too early to start talking to your child about bullying and ways to prevent and/or stop it. We encourage students to be kind to others, to tell someone to stop, and to talk to trusted adults on campus or at home if something is happening to them or someone they know.

Disengaging Stress

Throughout the school day, we encourage students to practice some deep breathing exercises and other mindful activities that help them relax and disengage stress. These active calming techniques help students be able to better self-regulate. When students are practicing deep breathing, we encourage them to take a minimum of 5 deep breathes where they slowly inhale and exhale to fully relax their body. Students can also be seen participating in yoga over the course of the day.

Student and Staff Spotlight

Ms. Vincent and her art classes have been working hard over the course of the first trimester! Student have recently created pixel self images and pencil and charcoal self portraits. Over the course of the last two weeks, students worked on the steps to correctly draw facial features and then put their practice into completion of the final draft. Their projects turned out absolutely amazing!

Our vision is to provide an unrivaled education by creating multiple pathways for all students to achieve academic equity and excellence.

Department Focus: Grants & School Support	
Focus of Update:	21st Century Community Learning Centers
Update:	Students will finish up their 4th week of afterschool programs on the 1st of October right before fall break; the first session will come to a close on October 29th. We are busily preparing parent engagement opportunities, including a potential partnership with Esperança, a global health non profit whose focus is on providing free preventative health education to the community. We will also host a virtual presentation on Cyber Security presented by the Attorney General's office on October 13th, this presentation will focus on providing parents with a range of topics such as cyber bullying, sexting, and online predators. It will inform parents about popular social media platforms, and will also encourage parents to communicate the dangers of talking with people online to their children. We recently received the exciting news that ADE has made available additional enhancement funds for current 21st Century Learning Centers. All five sites plan to apply for an additional \$42,000 to each school's 21st Century budget.
Impact on Quality of Instruction or Student Achievement:	We are excited to be able to offer information to parents that is relevant to the time in which we are living. Building partnerships that provide our community with information and resources that are meaningful is what we hope to achieve as we move forward with our family engagement partnerships and presentations. The enhancement funds will help to supplement programs in the area of family engagement, as well as provide additional vendor offerings for our students. This will help us continue to provide a robust course offering to our students who participate in our afterschool programs.

Department Focus: Ed Tech Support	
Focus of Update:	Ed Tech Update
Update:	Mae Nevarez recently presented to the Admin Team her plan to support all teachers district wide with the implementation of meaningful education technology. Starting after Fall Break, Mae will meet with all site Leadership teams to go over their campus needs in regards to EdTech Support. After that Mae will spend time at all sites on a monthly basis to look at student work, support teachers

	with EdTech implementation and integration, and sit in during Team Meetings. In addition, at the end of each month Mae will send an EdTech Newsletter to all Osborn staff. The first issue came out on Sep 30.
Impact on Quality of Instruction or Student Achievement:	When technology is implemented and integrated into lessons, the impact on the quality of instruction can be increased motivation, engagement, collaboration, creativity, critical thinking, and communication. The positive impact on student achievement is infinite when one thinks about the fact that jobs that our students of today will hold 15 years from now do not currently exist, but they most certainly will be using technology.
	According to the new draft Educational Technology Standards and Pacing created by the Arizona Department of Education, there are several technology skills and domains that students need to be proficient at by the time their educational career ends in 12th grade. The earlier our district implements and reinforces these, the better equipped our students will be when they enter high school, and the workforce.

Department Focus: Language Acquisition: Accessing Content and Developing Language	
Focus of Update:	Data and Assessment
Update:	Our English Learner (EL) Parapros completed 121 AZELLA Placement tests during the first eight weeks of school. These placement tests were administered to any new student whose family indicated that another language was spoken by the child.
Impact on Quality of Instruction or Student Achievement:	The purpose of the placement test is to measure students' English language proficiency to see if they qualify for placement in an English learner program. It is a federal requirement to screen all students who have indicated another language so that proper placement and support may be provided.

Department Focus: Language Acquisition: Accessing Content and Developing Language	
Focus of Update:	Professional Development
Update:	Curriculum Specialist for Language Acquisition, Monica Artea, provided all Dual Language teachers with an overview of the two purposes of the Bridge, which is to achieve language transfer and contrastive analysis

	between English and Spanish. The teachers analyzed various Transfer and Contrastive Analysis charts. Additionally, teachers had time to plan their next Bridge lesson. Teachers were asked to bring back student work to discuss how it went.
Impact on Quality of Instruction or Student Achievement:	The purpose of The Bridge is to help students transfer academic language learned in one language to the other language and to engage in a contrastive analysis by focusing on how Spanish and English are similar and different. This process requires the active engagement of students, which in turn leads to deeper learning and language acquisition.

Department Focus: Equity	
Focus of Update:	Professional Development
Update:	Monica provided a PD to new dual language teachers on developing an understanding of a student's strengths and areas of need through the following multilingual perspectives:
	Cultural -Funds of Knowledge -Relating to the ideas -What students love -Encompass identity development
	Linguistic -Formal language -Informal or social language -Language user (people from different places might use the same word but the meaning is different -Region can change expression of a word -Social groups: community Spanish used by immigrants and their families Academic -Early readers (struggling with reading)
	-Deep understanding of math concepts -students literate in native language can use skills to help in second language
Impact on Quality of Instruction or Student Achievement:	The purpose of this professional learning was for teachers to gain a more holistic view of our students and their language needs in order to better support their needs.

Department Focus: Data and Assessment: Evidence-based Teaching and Learning	
Focus of Update:	Data and Assessment
Update:	About 83% of our students completed the September ISIP assessment on Istation. ISIP Assessment Completion per grade level: Kinder-45% completed First-94% completed Second-74% completed Third-88% completed Fourth-98% completed Fifth-77% completed Sixth-85% completed
Impact on Quality of Instruction or Student Achievement:	Istation Español promotes targeted Spanish reading intervention through a high-interest, interactive, online curriculum. As students progress through the interactive instructional cycles, they have multiple opportunities to engage with a variety of texts across genres and with increasing complexity. Struggling students are routed through reteach lessons, and teachers are given instant reports to monitor student progress. Each Priority Report directs teachers to specific skills-based, small-group lessons for targeted intervention. Additionally, each cycle contains multiple teacher-directed lessons for further instructional differentiation and support.

Department Focus: Data and Assessment: Evidence-based Teaching and Learning	
Focus of Update:	Data and Assessment
Update:	This fall, all Osborn students participated in universal screening using our new assessment system, FastBridge. The FastBridge data reports provide actionable information about group and individual student performance in reading and math. Since our teachers and site leadership are eager about data-driven decision making, data analysis was an exciting and salient topic throughout the district in September. Before fall break, the screening results were shared with Osborn families, along with a letter explaining the context of the new assessment and some teacher-added details about the results on an individual student level. This Family Report was also discussed in conferences for iSchool and OMS and will be an important part of K-6 conferences in November.

Director: Abby Potter-Davis Board Meeting Date: Oct 19, 2021

Impact on Quality of	
Instruction or Student	
Achievement:	

The MTSS Specialists met together to analyze district and schoolwide trends using a systematic data analysis protocol. These leaders then planned structured, site-level data talks so that every Osborn teacher was provided with the opportunity to engage in learning about FastBridge reporting and to collaboratively begin the work of using student performance data in daily instructional decisions. The use of screening data has also guided the formulation of targeted interventions. While tier one (whole group) and more targeted, intensive intervention groups (tiers two and three) are already concepts in practice for Osborn teachers and students, FastBridge provides progress monitoring tools and plans that are being utilized for the first time. As the intervention plans are underway and this new data collection unfolds, we are excited to measure the impact of student learning in a new and systematic way.

Department Focus: Curriculum: Quality of Instruction and Student Achievement	
Focus of Update:	Professional Development
Update:	The September 23rd, Master Teacher meeting had three main agenda items. They included (1) Conscious Discipline Brain Smart Start with an emphasis on the Relationships and Equity core values, (2) Information sharing by each school on the progress-to-date on the six priority focus areas, and (3) K-12 Center Mentor Institute coaching training.
	The Teaching and Learning team offers a Brain Smart Start activity at the beginning of each meeting to model and highlight the expected structures that are being implemented through Conscious Discipline at school campuses.
	Each Master Teacher presented thoughtful presentations to emphasize the work each site is doing to address the focus points that Osborn School District has identified as priorities for the 2021-2022 School Year. The priorities areas are:
	 Amplify Thinking Maps Multi-Tiered System of Supports (MTSS) and FastBridge assessment and system Conscious Discipline Equity K-3 Reading (Emphasis of Reading Foundational state standards)
	Cathy Gentry shared key ideas and new learning from a series of coaching training offered by the Arizona K-12 Center Mentor Institute.

	The following five Master Teachers also participated in this professional development opportunity. Alexis Aguirre (ENC) Amy Chou (CLA) Doug Gerstner (OMC) Megan Jones (SOL) Rodi Vehr (LV) Cathy Gentry (District)
	The big ideas included supporting teachers and providing coaching that creates an optimal learning environment for students by establishing emotionally, intellectually, and physically safe campuses. Implementing a culturally responsive, standards-aligned curriculum and instruction. Other key takeaways shared were about instructional coaching language and how it positions a coach to support the needs of teachers. Additional resources from the training were shared with all Master Teachers.
Impact on Quality of Instruction or Student Achievement:	The Master Teachers support the development of teachers and staff. They play an integral role as instructional leaders at each campus. Their expertise and effectiveness directly affects teacher professional growth and student outcomes. Providing the forum to Master Teachers to collaborate and share with their peers is essential to their professional development and to the Osborn School District. The following data suggests how significant of an impact effective instructional coaching has on the teaching profession.
	"90% of open teaching positions are created by teachers who leave the profession. Only ½ of that 90% is attributed to retirement." "New teachers leave at rates of somewhere between 19% and 30% over their first five years of teaching. These rates are higher when novices do not get high-quality coaching in their early years."

Education (ADE) as a research based option that addresses the social studies and history standards. The team agreed to review the program through the end of September. Some of the features the program offers include:

- TechBook is aligned to the Arizona standards for 3rd 8th grades
- Dual language students will have a researched based curriculum in Spanish
- ELs will be able to use translation features for English to Spanish translation
- An inquiry based approach to the lessons
- More media embedded throughout the lessons (images, video, polls
- SpeakText Button for listening to text and Immersive Reader
- Highlighting and Annotation
- High/Low Lexile feature
- Editable graphic organizers
- Studio platform place to interchange/upload thinking maps and other teacher created resources, such as slide deck, videos etc.
- Virtual field trips
- Multiple Assessment options

Impact on Quality of Instruction or Student Achievement:

The Discovery Education TechBook for Social Studies instruction supports instructional design and delivery of pertinent grade level content. Students benefit from the inquiry-based approach to the lessons by responding to essential questions in various ways, such as, class discussions, use of visualization, reading high/low lexile level texts, and writing about their connections to the texts. The TechBook provides varied and multiple opportunities for students to demonstrate their understanding or to review content. For instance, there are multiple choice, constructed responses, extended responses, and quizzes or polls.

Technology Department Report

October 2021 - Jamal Dana

• Emergency Connectivity Fund ECF, we got funded a total of \$433,535.00 and with this money we already got 200 hotspots and 1100 Dell flip/touch chromebooks. The plan of distributing the device to the students that do not have devices at home and do not have internet or good internet service at home.

- **New Web Filter:** We rolled out a new web filter from Cisco called Umbrella that replaced Securely web filter. It has a better malware protection.
- Online Tickets: The tech department serviced and closed 275 tickets plus responded to emails and direct phone calls. We fixed many SmartTVs, Chromebooks, Staff laptops, document cameras, troubleshoot network and Wi-Fi issues etc. Couple new SmartTVs were added to the Encanto Gym, and Montecito conference room.
- **New Technician:** We hired a new tech Jacob Holderman and we hope that he will take on supporting two schools and work closely with the rest of the team. The tech department has one tech per two schools: Solano, OMS (Gerardo); Encanto, Clarendon (Jacob) Longview, Montecito/iSchool (Carrie); We have one helpdesk (Zach) that helps as a tech when needed. We also have one engineer (Derek) and an assistant engineer (Jeff) working on various networking/audit/ Wi-Fi projects.
- **E-rate:** Our E-rate applications got funded for this year, but the firewall is on backorder till January 22nd. Cox is waiting for it in order to upgrade our existing bandwidth from 1GB to 5GB. During November/December, I am planning to file for our next year's infrastructure application.
- Chromebooks: Good news, we had zero damaged devices in September. This is much better than last year where we had about 120 damaged devices each month. Our Chromebook Guide awarness and our effort by the admin team worked well so far.
- **Projects:** We are working on adding WiFi analysers that Erate funded in all of our sites and on our new helpdesk system.
- **Boardroom:** Arranged a meeting between our audio/video vendor and our marketing Mr. Nilsson to plan an upgrade to our boardroom so we can soon stream to YouTube professionally. Bond money will be used.
- **Fall break:** We have accomplished many projects this fall break such as webfilter, DNS server configuration, disaster recovery backups and installing many WiFi analysers on sites.

Children want knowledge, challenge and recognition.

Parents want independent, passionate learners in a safe environment.

This is our mission.

5. UNIVERSITY AND STATE REQUIRED PROVISIONS

- 5.1. Nondiscrimination. The parties will comply with all applicable laws, rules, regulations, and executive orders governing equal employment opportunity, immigration, and nondiscrimination, including the Americans with Disabilities Act. If applicable, the parties will abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.
- 5.2. **Conflict of Interest**. If within 3 years after the execution of this Agreement, Facility hires as an employee or agent any ASU representative who was significantly involved in negotiating, securing, drafting, or creating this Agreement, then ASU may cancel this Agreement as provided in Arizona Revised Statutes (ARS) § 38-511.
- 5.3. **Arbitration in Superior Court**. The parties agree to arbitrate disputes filed in Arizona Superior Court that are subject to mandatory arbitration pursuant to ARS § 12-133. ARS § 12-1518 requires this provision in all ASU contracts.
- 5.4. **Records**. To the extent required by ARS § 35-214, the non-ASU parties to this Agreement (jointly and severally, <u>Facility</u>) will retain all records relating to this Agreement. Facility will make those records available at all reasonable times for inspection and audit by ASU or the Auditor General of the State of Arizona during the term of this Agreement and for 5 years after the completion of this Agreement. The records will be provided at ASU in Tempe, Arizona, or another location designated by ASU on reasonable notice to Facility.
- 5.5. Failure of Legislature to Appropriate. In accordance with ARS § 35-154, if ASU's performance under this Agreement depends on the appropriation of funds by the Arizona Legislature, and if the Legislature fails to appropriate the funds necessary for performance, then ASU may provide written notice of this to Facility and cancel this Agreement without further obligation of ASU. Appropriation is a legislative act and is beyond the control of ASU.

5. UNIVERSITY AND STATE REQUIRED PROVISIONS

- 5.6. **Privacy; Educational Records**. Student educational records are protected by the U.S. Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g (<u>FERPA</u>). Facility will not require any ASU students or employees to waive any privacy rights (including under FERPA or the European Union's General Data Protection Regulation (<u>GDPR</u>)) as a condition for receipt of any educational services, and any attempt to do so will be void. Facility will comply with FERPA and will not access or make any disclosures of student educational records to third parties without prior notice to and consent from ASU or as otherwise provided by law. If this Agreement contains a scope of work or other provision that requires or permits Facility to access or release any student records, then, for purposes of this Agreement only, ASU designates Facility as a "school official" for ASU under FERPA, as that term is used in FERPA and its implementing regulations. In addition, any access or disclosures of student educational records made by Facility or any Facility Parties must comply with ASU's definition of legitimate educational purpose in <u>SSM 107-01: Release of Student Information</u>. If Facility violates the terms of this section, Facility will immediately provide notice of the violation to ASU.
- 5.7. Advertising, Publicity, Names and Marks. Facility will not do any of the following, without, in each case, ASU's prior written consent: (i) use any names, service marks, trademarks, trade names, logos, or other identifying names, domain names, or identifying marks of ASU (ASU Marks) for any reason, including online, advertising, or promotional purposes; (ii) issue a press release or public statement regarding this Agreement; or (iii) represent or imply any ASU endorsement or support of any product or service in any public or private communication. Any permitted use of ASU Marks must comply with ASU's requirements, including using the ® indication of a registered mark.
- 5.8. **Title IX**. Title IX protects individuals from discrimination based on sex, including sexual harassment. ASU fosters a learning and working environment built on respect and free of sexual harassment. ASU's Title IX Guidance is available online. Facility will: (i) comply with ASU's Title IX Guidance; (ii) provide ASU's Title IX Guidance to any Facility Parties reasonably expected to interact with ASU students or employees, in person or online; and (iii) ensure that all Facility Parties comply with ASU's Title IX Guidance.

6. MISCELLANEOUS

- 6.1. Neither party shall have the right to assign this Agreement without the prior written consent of the other party.
- 6.2. This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter. No prior or contemporaneous agreement or understanding will be effective. This Agreement shall be governed by the laws of Arizona, the courts of which state shall have jurisdiction over its subject matter.
- 6.3. The individual signing on behalf of Facility hereby represents and warrants that s/he is duly authorized to execute and deliver this Agreement on behalf of Facility and that this Agreement is binding upon Facility in accordance with its terms.
- 6.4. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

School of Sustainability Internship Supervisor Agreement
ASU Student Intern Name:
Internship Supervisor Name and Title:
Internship Supervisor Email and Phone Number:
The month out of Line and Friend Hambon

Thank you so much for supporting the School of Sustainability Internship Program, and for supervising our student intern this semester.

As the student is registering for ASU credit for this internship, we respectfully request the following participation of our internship supervisors. Please read the following and confirm your agreement by signing below.

Supervision should come from an experienced professional in the in the industry, with the capacity to interact with the intern on a regular basis, answer questions, and provide direct and constructive feedback.

The site supervisor serves as the primary point of contact for both the student intern and the School of Sustainability Internship Coordinator. The supervisor is expected to bring any concerns about the intern or the intern's performance to the attention of the School of Sustainability Internship Coordinator.

Although the ASU student is off-site during their internship, the requirement to maintain a discrimination-free environment is still applicable. Please read the <u>ASU Title IX statement</u> related to internships.

The site supervisor will facilitate the signing of a Student Placement Agreement between the organization and ASU School of Sustainability (if needed).

We ask that the site supervisor participate in the "site supervisor interview" assignment, complete midterm and final evaluations of the intern's performance, as well as verifying total number of hours completed (min. 135). Site supervisor interview, mid-term, and final evaluations may take about 30 minutes each. Student intern is responsible for facilitating these assignments with their supervisor.

Provide training and orientation to the organization, and introductions to the larger team. Interns want to meet key players, as well as learn the structure and culture of the organization.

To the extent possible, the organization will support professional development opportunities for the intern, including participation in trainings, workshops, and meetings that help them learn about the industry and profession.

To the extent possible, the organization will support opportunities for the intern to network and conduct informational interviews with other members of the organization.

Exceptions and Additions to the Rules

The laws and rules governing school immunization requirements are Arizona Revised Statutes §15-871 - 15-874; and Arizona Administrative Code, R9-6-701 - 708. Please review the school requirements in Table 7.1 and "catch-up" schedule in Table 7.2, located in R9-6-701 - 708.

Students must have proof of all required immunizations in order to attend school. Parental recall or verbal history of any disease is not accepted; therefore these students must submit an ADHS medical exemption form. Specifically, with varicella (chickenpox), measles, or rubella disease a medical exemption with attached laboratory evidence of immunity is required. Arizona law allows K-12 immunization exemptions for medical reasons, lab evidence of immunity, and personal beliefs.

Homeless students and children in foster care are allowed a five (5)-day grace period to submit proof of immunization records (assuming that all other students have their immunization records submitted prior to attendance at school).

Note: This material is written for informational purposes only, and not as legal | Page 112 of 122 advice. You may wish to consult an attorney for further explanation.

For further information and guidance please review the Arizona Immunization Handbook for Schools and Child Care Programs along with Frequently Asked Questions.

Quick-Look Vaccine Exceptions and Conditions:

• Hepatitis B – A child has received the required number of doses of hepatitis B virus (HBV) vaccine to qualify for Arizona school and child care/preschool attendance if all of the following apply:

There are at least 4 weeks between the 1st and 2nd dose of HBV vaccine;

There are at least 8 weeks between the 2nd and final dose of HBV vaccine;

There are at least 16 weeks (4 months) between the 1st and final dose of HBV vaccine; AND

The child received the final dose of HBV vaccine when they were at least 24 weeks of age.

- Hepatitis B for students aged 11-15 years 2 doses meet the requirement if adult hepatitis B vaccine (Recombivax) was received. Dosage (10mcg/1.0mL) and type of vaccine must be clearly documented. If Recombivax was not the vaccine used, a 3-dose series is required.
- Meningococcal Vaccine Only quadrivalent meningococcal ACWY vaccine doses will be accepted. The only quadrivalent meningococcal vaccines given currently in the U.S. are Menactra and Menveo. The Meningococcal Polysaccharide vaccine (Menomune) was a quadrivalent vaccine so is acceptable; however, production of this vaccine was discontinued in February 2017. Students who received this polysaccharide vaccine are considered acceptable for school requirements. No monovalent or bivalent meningococcal vaccinations will be accepted (MenA, MenB, MenC, or MenC/Y).
- Poliomyelitis (Polio) The U.S. currently does not give anything other than IPV (inactivated polio vaccine) whereas some foreign countries still give the OPV (oral polio vaccine). OPV given prior to April 1, 2016 will be presumed to be trivalent and therefore acceptable, regardless of country of administration. Any OPV doses administered after April 1, 2016 are presumed to be bivalent and therefore unacceptable.
- Td Booster A Td booster is required 10 years after the last dose of a tetanus-containing vaccine if student is still enrolled in school.

can be represented simultaneously on the board. After discussion, the Board will vote to give direction to Lisa Nye to vote in the manner the board has approved.
For Board: X Action Discussion Information
With unanimous approval of the ASBA Hispanic Native America Indian Caucus and ASBA Board of Directors, this change is being sought by the Hispanic-Native American Indian Caucus (HNAIC). It would create a seat on the ASBA Board of Directors so that Hispanic and Native American interests can be expresented simultaneously on the board. Currently, there is one seat on the ASBA Board of Directors designated for a representative of the HNAIC and it alternates every two years between Hispanic expresentation and Native American representation, creating gaps in representation. By contrast, the Black Alliance has a seat on the ASBA Board of Directors, ensuring representation on the board at all imes. This proposed bylaw change also provides the flexibility for the HNAIC to split into two distinct groups if its members so choose and allows those groups to change their names and be recognized under the new names

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement (this "Agreement") is entered into by and between those certain government agencies that execute a Principal Procurement Agency Certificate ("Principal Procurement Agencies") with National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector and/or Communities Program Management, LLC, a California limited liability company d/b/a U.S. Communities (collectively, "OMNIA Partners") to be appended and made a part hereof and such other public agencies ("Participating Public Agencies") who register to participate in the cooperative purchasing programs administered by OMNIA Partners and its affiliates and subsidiaries (collectively, the "OMNIA Partners Parties") by either registering on the OMNIA Partners website (www.omniapartners.com/publicsector or any successor website), or by executing a copy of this Agreement.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers have entered into "Master Agreements" (herein so called) to provide a variety of goods, products and services ("Products") to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

- 1. Each party will facilitate the cooperative procurement of Products.
- 2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency's procurement practices. The Participating Public Agencies hereby

acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies' participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(j), as may be amended from time to time. The Participating Public Agencies further acknowledge and agree that they are solely responsible for their compliance with all applicable "safe harbor" regulations, including but not limited to any and all obligations to fully and accurately report discounts and incentives.

- 3. The Participating Public Agency represents and warrants that the Participating Public Agency is not a hospital or other healthcare provider and is not purchasing Products on behalf of a hospital or healthcare provider.
- 4. The cooperative use of Master Agreements shall be in accordance with the terms and conditions of the Master Agreements, except as modification of those terms and conditions is otherwise required by applicable federal, state or local law, policies or procedures.
- 5. The Principal Procurement Agencies will make available, upon reasonable request, Master Agreement information which may assist in improving the procurement of Products by the Participating Public Agencies.
- 6. The Participating Public Agency agrees the OMNIA Partners Parties may provide access to group purchasing organization ("GPO") agreements directly or indirectly by enrolling the Participating Public Agency in another GPO's purchasing program provided the purchase of Products through the OMNIA Partners Parties or any other GPO shall be at the Participating Public Agency's sole discretion.
- 7. The Participating Public Agencies (each a "Procuring Party") that procure Products through any Master Agreement or GPO Product supply agreement (each a "GPO Contract") will make timely payments to the distributor, manufacturer or other vendor (collectively, "Supplier") for Products received in accordance with the terms and conditions of the Master Agreement or GPO Contract, as applicable. Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.
- 8. The Procuring Party shall not use this Agreement as a method for obtaining additional concessions or reduced prices for purchase of similar products or services outside of the Master Agreement. Master Agreements may be structured with not-to-exceed pricing, in which cases the Supplier may offer the Procuring Party and the Procuring Party may accept lower pricing or additional concessions for purchase of Products through a Master Agreement.
- 9. The Procuring Party shall be responsible for the ordering of Products under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a Procuring Party, and, to the extent permitted by applicable law, the Procuring Party shall hold non-

procuring party harmless from any liability that may arise from the acts or omissions of the Procuring Party.

- 10. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE OMNIA PARTNERS PARTIES EXPRESSLY DISCLAIM ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING ANY PRODUCT, MASTER AGREEMENT AND GPO CONTRACT. THE OMNIA PARTNERS PARTIES SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF THE OMNIA PARTNERS PARTIES ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE PROCURING PARTY ACKNOWLEDGES AND AGREES THAT THE OMNIA PARTNERS PARTIES SHALL HAVE NO LIABILITY FOR ANY ACT OR OMISSION BY A SUPPLIER OR OTHER PARTY UNDER A MASTER AGREEMENT OR GPO CONTRACT.
- 11. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of Paragraphs 6 10 hereof shall survive any such termination.
