Solano School

Preschool - 6th Grade
1526 W. Missouri
Phoenix, AZ 85015
(602) 707-2600

Good afternoon, Osborn Family,

We returned to school by implementing a mandate for wearing facial coverings, due to the continued spread of COVID, particularly the delta variant most present now. Staff and students were presented with an opt-out provision from the return to facial coverings. On Monday, a Maricopa County judge presented a ruling in the Phoenix Union case that upheld Phoenix Union's mask mandate until the law banning mask mandates goes into effect on September 29.

In consultation with the Governing Board last night, we are continuing our mask mandate, but extending it to include everyone, without a general opt-out provision. The Board will revisit the issue in September, closer to the enactment of state law, which is not currently in effect. Beginning tomorrow, August 19, 2021, all students, staff, and visitors are required to wear facial coverings when indoors in group settings, unless there is written medical documentation as to why one would not be able to do so.

Thank you for your continued understanding,

Michael Robert, Ed.D.
Superintendent
